GENERAL INFORMATION

LOCATION—The sale will be held at the Bingley Sale Pavilion, Knoxville, Iowa, on Monday, April 13, 1953. Knoxville is located 37 miles southeast of Des Moines on State Highways 60, 92 and 14. It can be reached by paved roads from any direction and is served by good bus facilities and the Burlington Railroad.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

MAIL BIDS—Mail or wire bids may be sent to Allan C. Atlason, Secretary American Shorthorn Breeders' Assn., Chicago, Ill., Clem Larson, Callendar, Ia., Thos. W. Sherlock, Wallaces Farmer & Iowa Homestead, Des Moines, Iowa, Albert J. Hamann, Rock Rapids, Iowa, or to the auctioneer, J. E. Halsey, Box 1317, Des Moines, Iowa. Late bids to the above may be addressed in care of the Hotel Marion, Knoxville, Iowa, on sale day.

INVITATION

Again we invite you to the Annual South Central Iowa Shorthorn Show and Sale.

We believe we have an offering everybody will like.

The breeders and consignors to this sale have been very loyal.

The top bulls are probably by far the best that have ever been sold at Knoxville. You will be surprised.

The females are a pleasing group. There are cows with calves, bred heifers, and a very fine group of open heifers. Many of these are eligible for F. F. A. or 4-H projects in 1953. Here is a wonderful opportunity.

Everybody likes to come to Knoxville. So come and be with us on Sale Day, Monday, April 13.

ALBERT J. HAMANN, Sale Manager

THERE WILL BE A DINNER MEETING AND GET-TOGETHER OF ALL SHORTHORN BREEDERS AND THEIR FAMILIES AT 6:30 P. M., SUNDAY EVENING, APRIL 12th AT THE MASONIC TEMPLE IN KNOXVILLE.

MAKE YOUR PLANS TO ATTEND. EVERYONE INVITED.

W L MAX MAJOR 15th—This roan April calf, a son of Killearn Major by the noted Killearn Max 5th could be one of the better bulls offered in this sale. He has been exhibited and stood well up in class, winning second prize at Denver. His full brother was the reserve champion and top selling bull at the 1951 Blue Grass Futurity. Sons of Killearn Major have won some of the highest honors at our leading shows.

PINE RIDGE EMPEROR—Should appeal to anyone who wants more size in their herd. This bull has depth and covering of flesh that is seldom found to produce weight for age, yet hold the smoothness and middle of the road type along with natural fleshing and easy feeding ability. Anyone could travel many miles to find his equal. Study him carefully from every angle, then look at his pedigree and see all the good bulls that are behind him and I am sure you will agree that he is a prospective herd sire.
